It gives us pleasure to present the Annual Report of NCFE for the year 2022-23. The organization was able to achieve the stated objectives through the implementation of National Strategy for Financial Education (NSFE) approved by the Financial Stability and Development Council (FSDC).

NCFE is merely a four year old not for Profit Company, and since its inception in 2018, it has been putting together its efforts for making an impact in the Financial Literacy Level of the country. NCFE through its focused strategies has been delivering financial education to the masses through the online & offline modes. At the same time, they also showed resilience and enthusiasm on the innovative modes of delivery mechanisms such as E-Learning Management System Portal, National Financial Literacy Assessment Test, dissemination of financial education through Social Media etc.,

This report throws light on the progress made and initiatives taken during the year 2022-23. A significant improvement in its outreach and the activities carried out can be clearly observed. The campaign during the Financial Literacy Week observed in the current year had reached over 9000 school children, over 3600 people directly and 12 million+ indirectly. The participation in the G20 side event conducted in Kolkata and Bengaluru was momentous and added a feather in the cap of NCFE.

It is our duty to acknowledge the valuable support and guidance extended by all the regulators and well-wishers for the successful completion of yet another fruitful year.

We will strive to continue & enhance our efforts and streamline the efforts of other stake holders to fulfil our vision “A financially aware and empowered India”
I’m very happy to share the third edition of NCFE’s Annual Report. With determination and coordinated approach, NCFE is moving towards its vision of ‘A financially aware and empowered India’

Financial literacy is nothing but the ability to understand and apply different financial skills effectively including personal financial management, budgeting, saving and investing. Financial Literacy helps the individuals to obtain financial stability and thereby become financially independent. It is a fact that only 27% of Indians are financially literate and efforts should be made to improve this scenario.

NCFE’s financial education activities are driven by identified critical gaps and strategic goals of National Strategy for Financial Education (NSFE) 2020:25. The goals categorized under the 5C’s - Content, Capacity, Community, Communication and Collaboration have specific milestones and we are putting together our efforts in a comprehensive manner to achieve these milestones.

NCFE continued to provide Financial Education to the masses through its flagship Financial Education Programmes FEPA, FETP, MSSP and FACT. One can observe a significant increase in the outreach through our financial education workshops, other initiatives like E-LMS, NFLAT and Chat-bot. NCFE’s website and social media handle is playing an important role in disseminating financial literacy to the masses. The year has provided a good mileage to NCFE’s efforts as its initiatives were recognized at G20 side event conducted in Kolkata and Bengaluru.

Without the support of our promoting regulators it would not have been possible to achieve all these goals. I take this opportunity to thank all the promoters, stakeholders for their cooperation and support for the activities conducted in this year. Additionally, I wish to compliment team NCFE for doing their hard work to achieve the results.

INDEPENDENT AUDIT REPORT

To,

The Members of National Centre for Financial Education,

Report on the Financial Statements

We have audited the accompanying financial statements of National Centre for Financial Education, which comprises the Balance Sheet as at 31 March 23, the Statement of Income and Expenditure for the year then ended, and a summary of significant accounting policies and other explanatory information.

Management’s Responsibility for the Financial Statements

The Company’s Board of Directors is responsible for the matters in section 134(5) of the Companies Act, 2013 (‘the Act’) preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company following the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes the maintenance of adequate accounting records following the provision of the Act for the safeguarding of the assets of the Company and for preventing and detecting the frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation, and maintenance of internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit.

We have taken into account the provisions of the Act, the accounting and auditing standards, and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder,

We conducted our audit following the Standards on Auditing specified under section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor’s judgment, including assessing the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments; the auditor considers
internal financial control relevant to the Company’s preparation of the financial statements that give the true and fair view to design audit procedures that are appropriate in the circumstances but not to express an opinion on whether the company has in place an adequate internal financial controls system over financial reporting and the operating effectiveness of such controls. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of the accounting estimates made by the Company’s Directors and evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India,

1. In the case of the Balance Sheet, of the state of affairs of the Company as of 31st March 2023
2. In the Statement of Income and Expenditure, for the year ended on that date.

Report on other Legal and Regulatory Requirements

1. As required by the Companies (Auditor’s Report) Order, 2015 (“the Order”), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we report that the said order does NOT apply to the Company

2. As required by section 143(3) of the Act, we report that:

3. We have sought and obtained all the information and explanations, which were necessary for our audit to the best of our knowledge and belief.

4. In our opinion, proper books of account as required by law have been kept by the Company so far as appears from our examination of those books.

5. The Balance Sheet, The Statement of Income & Expenditure Statement dealt with by this Report agrees with the books of account.

6. In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014

7. Based on written representations received from the directors as of 31 March, 2023, taken on record by the Board of Directors, none of the directors is disqualified as of 31 March 2023, from being appointed as a director in terms of Section 164(2) of the Act.
8. Concerning the adequacy of Internal Financial Controls over the financial reporting of the company and the operating effectiveness of such controls, refer to our separate Report in ‘Annexure A.’ and

9. Concerning the other matters included in the Auditor’s Report following rule 11 of the Companies (Audit & Auditors) Rules, 2014, in our opinion and to our best of our information and according to the explanations given to us;

10. The Company has disclosed the impact of pending litigations on its financial position in its financial statements;

11. As required under the applicable law or accounting standards, the Company has made provision for material foreseeable losses, if any.

On long term contracts, including derivative contracts;

There were no amounts required to be transferred to the Investor Education and Protection Fund by the Company.

ANNEXURE ‘A’ TO THE INDEPENDENT AUDITORS’ REPORT

(Referred to in Paragraph 1 under the heading of "Report on other Legal and Regulatory Requirements’ in our independent Auditor’s Report on even date, to the members of National Centre for Financial Education on the financial statements for the year ended on 31st March, 2023)

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of National Centre for Financial Education (‘the Company’) as of 31st March, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date

Management’s Responsibility for Internal Financial Controls

The Company’s management is responsible for establishing and maintaining internal financial controls. These responsibilities include the design, implementation, and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors’ Responsibility

Our responsibility is to express an opinion on the Company’s internal financial controls over financial reporting based on our audit. We conducted our audit following the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting were established and maintained and if such controls operated effectively in all material respects. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including assessing the risks of material misstatement of the financial statements, whether due to fraud or error. We believe that the audit evidence I/we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.
Meaning of Internal Financial Controls over Financial Reporting

A company’s internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes following generally accepted accounting principles. A company’s internal financial control over financial reporting includes those policies and procedures that

(1) Pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company

(2) Provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements following generally accepted accounting principles, and that receipts and expenditures of the company are being made only following authorizations of management and directors of the company, and

(3) Provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company’s assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting, and such internal financial controls over financial reporting were operating effectively as of 31 March 2023, based on internal control over financial reporting criteria established by the company considering the essential components of internal control stated in the Guidance Note on Audit of Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants Of India.
